

TIROSINT DIRECT PROGRAM

KnippeRx Inc. works directly with IBSA to ensure “speed to therapy” with Tirosint and to help with the cost of Tirosint / Tirosint-SOL for your patient.

What to Expect from KnippeRx Inc.

- Patients will be contacted by KnippeRx Inc. with the number **833-273-5933** within 24 hours once Rx is received
— *This call must be completed before a patient’s Tirosint prescription can be filled* —
- Medication typically ships within 2-3 business days assuming all required information is received

KnippeRx Inc. Offers Patients:

- An accelerated prior authorization process, co-pay assistance, and billing support to minimize out-of-pocket costs
- Direct access to highly trained pharmacists, clinicians, and dedicated specialists
