Information for Patients

About Highland Specialty Pharmacy

Highland Specialty Pharmacy is an independently owned and operated pharmacy located in Hattiesburg, Mississippi. We offer pick-up for our local patients and mail order to all 50 states.

Our mission is to provide quality, safe pharmacy services, complete education, and excellent customer service in a cost-effective manner. We never utilize robocalls. A member of our staff will always speak directly with each and every new patient in order to provide personalized care. When we receive a phone call, our goal is to answer the call within 30 seconds.

We offer multiple ways for patients to request refills: Phone, App, Website, Text, or Email.

How It Works

After your prescriber sends Highland Specialty Pharmacy your prescription:

1 Save Our Phone Number (601) 268-6033

To avoid missing our call or mistaking our call as spam, please save (601) 268-6033 to your contacts or be aware that a *601* area code will be contacting you.

2 You Will Receive a Call Within 24–48 Hours

If you have not received a call within 48 hours, please call the pharmacy and press option "0" to speak directly to a staff member during business hours.

3 Confirm Your Order

A representative will confirm all of your information, answer any questions, and collect a form of payment over the phone.

4 Your Order Will Be Shipped/Ready for Pickup
